

Hello.

My name is:
PERRY ELIZABETH WONG COSTA

#1 EXPERIENCE

LUCASFILM INFORMATION SYSTEMS INTERN JULY 2011 - JUNE 2012

Assisted on robust web and iOS applications alongside a team with a focus on product usability while filling in on a cross-functional team assessing company workflow.

#INCLUDE CHIEF OF DESIGN JULY 2011 - JUNE 2012

Worked on the design of the first mobile application for the company, a game designed to teach children about the Star Wars universe. Worked closely with the game developer to ensure the design was functional and user friendly.

GIRLS WHO CODE UNDERGRADUATE FACULTY JULY 2012 - PRESENT

Teach introductory programming concepts to girls ages 12-17 through weekly classes and workshops. Also work on curriculum development and website maintenance.

JOHN NATSOULAS GALLERY INTERACTIVE DESIGNER, CREATIVE JULY 2012 - PRESENT

Creative strategist and head of a team of 7 with the responsibility of designing interactive exhibits for gallery. Also collaborated closely with in-house artists.

NEWTONS SOFTWARE LEAD DEVELOPER, PROJECT MANAGER JULY 2012 - PRESENT

Full time consultant and project manager for a team of 10+ developers and engineers, leading interaction design on website redesigns for large-scale companies and maintaining task flow.

DAUGHTERS OF PARADISE FOUNDER, INSTRUCTOR JULY 2012 - PRESENT

Founded and taught a Bay Area based, all-girls, design-based coding bootcamp for ages 12-17 with a focus on coding for social good and the community.

BLINK LIVESTREAM EXPERIENCE + INTERFACE DESIGNER JULY 2012 - PRESENT

Drove user research and synthesis in an agile team, while creating unique user interactions and interfaces based around a China-based livestreaming iOS application.
